ELITE OVERSEAS

India's Automotive Excellence

elytoverseas@gmail.com

OUR SERVICES

- Manufacturing of automotive control cables, nut bolts, and precision components
- Product range includes clutch cables, brake cables, accelerator cables, camshafts, brake shoes, wheel rims, and flange sets
- Custom production based on OEM specifications and client drawings
- Export-standard packaging and logistics support for global deliveries
- Rigorous quality checks ensuring performance and durability

OUR MISSION

To deliver India's automotive excellence worldwide through quality manufacturing, innovation, and trusted partnerships.

OUR VISION

To be recognized globally as a reliable exporter of high-quality automotive components built on precision, integrity, and performance.

WHY CHOOSE US

- 15+ years of proven experience in the automotive industry
- OEM-grade product quality and precision
- Custom dimensions and packaging as per client needs
- Competitive pricing with timely global delivery
- Transparent, long-term business relationships
- Export-grade packaging to prevent transit damage
- Fast response and direct coordination with the owner — no middlemen
